

Business Accelerator Webinar Series

January 20th:

Intellectual Property protection webinar

Worry that your idea will be taken? Investors ask about what your IP protection is and you don't have an answer yet?

The value of intellectual protection is critical for investors and in protecting all of your hard work.

- Not sure if you can get IP?
- Have questions about IP in different sectors like software, design, environmental applications?
- What is the difference in Canada vs. US patenting?

In this workshop get answers to these questions and more on getting started and what it will take to protect one of your companies most valuable assets.
